Once again Bible Institute classes will be held during the second week of August **2018 from the 6<sup>th</sup> to the 11th**. We always have a good group of students coming from different counties of Ukraine, and different parts of Europe and Former Soviet Union that are serious and are interested in the truth and the practical aspects of the Christian life. The schedule below show what subjects will be taught. As usual classes will begin at 9:00 every morning. Breakfast, lunch and supper will be served every day from Monday through Saturday. Sisters are also invited. Accommodations will be arranged for all students.

Throughout the week, in the afternoons, we will be hearing from various students who are currently in the ministry serving as pastors, preachers, evangelists and missionaries. Also, all will partake in the public ministry in Kiev.

We have good congregational hymn singing, specials, and good preaching.

We're asking that each student Ukrainians pay a minimal amount of **50 gryven** to cover for the food that will be prepared throughout the week.

Please let us know ahead of time how many people will be coming. If you'd like to come the Sunday before the 8th, we have rooms for the students.

The idea of the Kiev Bible Institute which was started in 1995 was originated with the thought in mind of supplying a function in modern Christianity which has been evidently neglected by the vast majority of denominational and non-denominational schools. Its function is to train men (2 Tim. 2:2) TWO things mainly; to know the Bible from cover to cover and the other is to be able to assemble this information and deliver it to a congregation in such a manner so as to successfully transmit the message. Our primary emphasis is on Biblical exegesis and preaching, rather than on the executive and promotional branches of the local church; and it will lay the emphasis on the Reformation text of the Authorized Version of the King James Bible (that we've translated in the Russian language (1<sup>st</sup> edition), rather than on the critical theories that have been used to destroy the Authorized Version.

This Protestant heritage, connected with the King James Bible is the heritage preserved in the Bible Institute of Kiev. The reason for this is taught and analyzed from every point of view: critical, historical, non-Christian, Christian, orthodox, non-orthodox, liberal, and Roman.
